Pricing Structure

At Nether Heyford Pre-school we are passionate about providing high quality childcare and a fun, safe, caring and stimulating environment in which your child will learn and flourish. We have highly qualified and dedicated staff who take regular courses to further their professional development and to ensure that we are constantly in touch with new thinking in the field of child education and care.

In order for us to be able to continue to meet these high standards it is important that our fees remain realistic whilst competitive.
